## — Our Mission —

is to support environmental education  
and stewardship and  
an appreciation of local history.

In an effort to inspire  
current and future generations.

MEEC will foster environmental awareness  
and responsible action through hands-on  
exploration and adventure.

The Mamakating Environmental Education Center is located in an area rich in wildlife and native plants. Our hiking trails and the nearby wetland offer many opportunities for all ages to explore and learn about our natural world.

Hands-on events such as nature craft classes, astronomy, monarch butterfly tagging, beeswax candle making, history and nature journaling complement our popular public talks.
